All' Ill.^{mo} Sig.^o DON PIETRO MEDICI

Fu Antichiss.^o e lodato costume Ill.^{mo} S.^o sacrare a gli Dei
le primizie, e da quelli era ricevuto il Cera: dell' offerente, al
natale della vittima: riguardevole io a tale usanza dal seno
del mio intelletto hauendo formato un grege di uari
capricci li più scelti come primizie offerisco V.^o Ill.^{mo} quale
come delli Dei imitatore gradiva il Cer, e l'opera come
di primo natale, e si come dal cielo i grati sacrifici erano
perfezionati col Foco, così spero, che dal Foco dell'
Amor, e potenza sua offerrà questa mia vittima:
gradite fine, complice il sacrificio l'incenso dell'affetto
suo, e quindi mi sia concesso restarvi devoto
Ser.^o in Gratia mentre io li aguro il complimento
di ogni suo maggior pensiero Di V.^o Sig.^o Ill.^{mo}

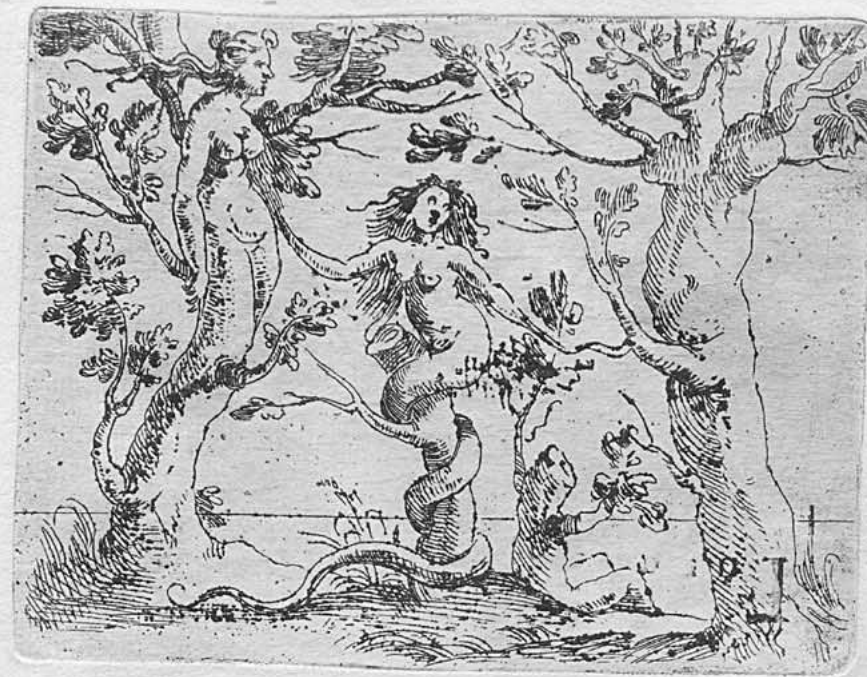

Humil.^o Seruo
